

## 83rd UNICA 10-16 September 2023 in Comacchio We are waiting for you!

What awaits you, a colourful variety of events and films.

An area steeped in history with many film locations. Nice, happy people. Good food. The sea. Cycle paths. Lots of friends. A strict jury, if necessary. A screening room in a historic building in Comacchio. Good weather and sunshine. Exciting excursions to discover the surroundings of Comacchio.

Of course, the selection of the best films from the member countries. And the traditional public discussion of the films by the jury of three, made up of non-professional film lovers and professionals.

The programme will be complemented by a tribute to **Rolf Mandolesi**, to whom the Delta del Po Film Club and the Rolf Mandolesi Merano Film Club dedicate this 31st edition since the UNICA in 1992 at Lido degli Estensi. The Florestano Vancini Film School from Ferrara will also be involved, and the opening of the competition dedicated to Folco Quilici "nature calls man".

Another important event of UNICA Comacchio 2023 is a photo exhibition on Pier Paolo Pasolini on the occasion of his 100th birthday in 2022. The photo exhibition is divided into three parts and consists of a total of 90 70x100 printed and coloured panels.

The first part is entitled: "**Pasolini: Emilian-Romagnolo Reflections**", curated by Carlo Menegatti of the Cineclub fedic Delta del Po, which highlights Pasolini's collaborations with artists of Emilian or Romagnolo origin. The second part is entitled: "**Pasolini, un cinema di poesia**" (Pasolini, a cinema of poetry), curated by Giuseppe Mallozzi fedic, and focuses on the films Pasolini directed, with references to the films, archive material, chronology and criticism. It is a complete filmography of the director, who had very respectable extras and collaborations and received valuable awards. The third part is entitled "**Photos and Poetry**", edited by the Cineclub fedic Delta del Po. It is a work by photographers who are members of the Cineclub, who reinterpret some scenes from Pasolini's films by reproducing the scenes as if they had been experienced at the time of the film.

The organising committee with Carlo Menegatti, Anna Quarzi and Jacqueline Pante and all the volunteers will do everything to make you feel at home and to facilitate the journey between the beach resorts and the venue in Comacchio.

**We look forward to seeing you in Comacchio and the surrounding area. Registrations are possible until 30.6.2023.**

Goodbye in Comacchio
